

*Healthy Albertans, Healthy Communities. Together*

Make a significant impact on patient focused health care as an Enterostomal Therapy Nurse (ET) based out of the Red Deer, Bremner Community Health Centre, serving rural communities throughout Central Zone.

*Your Opportunity*

As an ET Nurse you will provide front-line clinical support and consultation, as well as patient, family and staff education related to incontinence, ostomy, wound and skin care. You will report to the department Manager for Central Zone, working within a remotely centralized supportive team of Enterostomal Therapy Nurses. You will demonstrate your expertise within the interdisciplinary team to support an integrated and holistic approach to client care, health promotion and maintenance, while utilizing nursing processes, critical thinking, problem solving, and decision making skills across the life span and continuum of care. You will provide safe, quality client-and family-centered care while reflecting the shared vision and values of AHS.

Red Deer is Alberta's third largest city with a population of 100,418 and is located along the QEII Highway between Calgary and Edmonton. Some of the amenities within the city of Red Deer include, the Alberta Sports Hall of Fame and Museum, as well as, the Sunnybrook Farm Museum, Fort Normandeau, the Kerry Wood Nature Centre, and the Red Deer Museum and Art Gallery. There are also several multi-use recreational centres including the Collicutt Centre, G.H. Dawe Community Centre and Michener Aquatic Centre, great for families of all ages. This beautiful city has all the amenities you could need and still offers a small town, friendly feel.

*About US:*

Alberta Health Services (AHS), the largest health care provider in the country, is an organization focused on providing safe, high-quality, patient- and family-centred care. We achieve this with our workforce of more than 108,000 employees, 7,700 medical staff and 15,600 volunteers who are dedicated to serving a population of 4.1 million Albertans.

**AHS Cares** represents our five core values in action. These values, compassion, accountability, respect, excellence, and safety, are at the heart of everything we do. They inspire, empower, and guide how we work together with patients, clients, families, and each other. At AHS, we are living our values. Together.
