Enterostomal Therapy RN and Wound Care RN or RPN

About Us

S.R.T. Med-Staff is a trusted leader in the healthcare community with a reputation for excellence in quality of care. With the greatest variety of shifts, top pay rates, and the highest quality of nurses, it's no wonder Toronto RNs and RPNs continue to rank S.R.T. Med-Staff number one or that so many healthcare providers trust S.R.T. Med-Staff personnel to provide an exceptional level of care.

Job Description

Come make a difference in patients' lives!

S.R.T. Med-Staff is currently seeking Certified Enterostomal Therapists and Wound Care Nurses to support our community visiting nursing program.

Reporting to the Director of Community Nursing, the ET and Wound Care Nurses will support individual patients in the management of their ostomies and provide support and education for nursing staff as they provide ostomy and wound care to community patients. You will also act as an advisor to the clinical team on the development and implementation of best practices.

Qualifications:

- RN or RPN in good standing with the College of Nurses of Ontario
- Successful completion of a recognized program in Enterostomal Therapy or a Wound Care course
- Member registration with the CAET
- ET certification with the Canadian Nurses Association is preferred
- Excellent presentation and communication skills, both verbal and written
- Demonstrated teaching skills
- Experience with Information Technology: Microsoft Office applications and Internet
- Valid driver's license and reliable vehicle is a requirement
- Second language is considered an asset
